Daisy Street Office Park is a commercial office park located in Sandown, very close to the central CBD of Sandton, the "Financial Capital" of Africa.

The building comprises three floors and a penthouse of Executive office accommodation (5,225 m² of rentable office space, 244m² of storage space).

There are two basement parking levels providing 192 secure, undercover parking bays and an additional 35 external parking bays (5/100 m² of rentable areas.) The external parking bays have been kept to a minimum, to maximize the landscaping on the site and thereby create a very natural environment to work in.
